Fortify Skin with Detoxifying Microgreens Complex

The Microgreens Detox Collection is the solution to one of the most common skin care concerns on the rise – the stress-inducing effects of pollution. By harnessing the potent antioxidants found in microgreens, this three-piece capsule collection features the new **Detoxifying Microgreens Complex**, formulated with Detoxophane – an active derived from Swiss cress sprouts that cleans and protects skin at the cellular level, to help counter the effects of pollution.

Features

- Detoxifying Microgreens Complex – derived naturally from potent microgreens with Detoxophane
- Protection from oxidative damage and the visible signs of aging
- Enhanced resistance against pollution and sun radiation
- Suitable for all skin types

Your Anti-Pollution Solution

Stone Crop Cleansing Oil

Restore balance and remove impurities.

This non-greasy cleansing oil uses the potency of microgreens to bring balance back to the skin. To restore moisture and remove impurities, we have paired sunflower and jojoba oil with brightening stone crop – resulting in dewy, soft skin after every use. Use alone, or as step one in a two-step cleansing process.

KEY INGREDIENTS: STONE CROP, DETOXIFYING MICROGREENS COMPLEX (BROCCOLI, RADISH AND CLOVER SPROUTS AND DETOXOPHANE FROM SWISS CRESS SPROUTS), SUNFLOWER OIL, JOJOBA OIL

SIZE: 150 ML / 5 FL OZ PROFESSIONAL & RETAIL

Stone Crop Oxygenating Fizzfoliant™

Brighten and invigorate with light fizzing action.

Gently remove impurities and reveal a gorgeous youthful glow with the help of nutrient-rich microgreens, rice flour and adzuki powder. This powder-to-foam exfoliant fizzes to deliver oxygen to the skin and stimulates its natural healing functions. Use daily, or in preparation for disencrustation and blackhead removal.

KEY INGREDIENTS: STONE CROP, DETOXIFYING MICROGREENS COMPLEX (BROCCOLI, RADISH AND CLOVER SPROUTS AND DETOXOPHANE FROM SWISS CRESS SPROUTS), RICE, ADZUKI POWDER

SIZE: 120 G / 4.2 OZ PROFESSIONAL & RETAIL

Lotus Detoxifying Overnight Treatment

Revitalize and detoxify for a radiant glow.

Lightweight and great for all skin types, this gel cream treatment detoxifies and renews skin with the help of melt-in jojoba oil beads and nutrient-rich microgreens. Layer it after a favorite serum, and follow with a moisturizer if desired. Worn overnight, this treatment supercharges repair and regeneration while helping to prevent water loss for a dewy, radiant complexion. Use in the daytime for added detoxification and protection against environmental stressors.

KEY INGREDIENTS: LOTUS, DETOXIFYING MICROGREENS COMPLEX (BROCCOLI, RADISH AND CLOVER SPROUTS AND DETOXOPHANE FROM SWISS CRESS SPROUTS), JOJOBA OIL BEADS

SIZE: 125 ML / 4.2 FL OZ PROFESSIONAL & 60 ML / 2 FL OZ RETAIL
